KARTSPORT NEW ZEALAND PERSONAL TRANSPONDER LEASE AGREEMENT AND DEPOSIT RECEIPT.

TO BE COMPLETED ONLY BY NEW APPLICANTS OR RENEWALS WHO DO NOT HAVE A TRANSPONDER KIT.

Please Print

Lessee Name: _____
First Name Family Name as printed on competition licence

By signing this Agreement the Lessee agrees to the following:

- On payment of \$123 (inclusive of GST) I will receive one AMB TransX160 transponder kit, (transponder mains charger, car charger and mounting bracket). This deposit will be refunded by the Lessor (KartSport New Zealand) where the Lessor is satisfied the transponder kit is returned in Good Condition once the Lessee no longer has a valid Competition Licence. 'Good Condition' means in respect of the transponder kit that it is in good condition throughout and in sound mechanical order, free from operator abuse and/or neglect; otherwise than arising by reason of "Normal Use" the transponder kit has been put to.
- To pay the rental due for the ensuing year, or part there of, in advance. The amount of this annual rental will be determined by the Lessor (by vote of the KartSport New Zealand Executive) from time to time. Current annual rental is \$74 (inclusive of GST) per year. This annual rental will be payable at the time the Lessee purchases or renews his/her annual Competition Licence. The rental year will commence and finish on the same dates as the Lessee's Competition Licence.
- To maintain, fit, charge and utilise the transponder in accordance with the manufacturer's instructions ("Normal Use").
- To return the transponder kit in good condition, commensurate with its age. Failure to return the transponder kit will result in the Lessor withholding the deposit and the Lessee paying to the Lessor the cost of damage caused up to an amount equal to the replacement value of the transponder kit. Transponder kits not returned within 35 days of the expiry of the Lessee's Competition Licence will be invoiced at the retail price (currently \$350 inclusive of GST) less the deposit paid. All accounts are payable by the 20th day of the month following the date of the invoice. If the account is not paid within 30 days after the due date, our debt recovery agency may charge you a fee equal to 25% of the unpaid portion of the invoice, but not less than \$25.00. Where the total agency, legal and other costs arising from recovery of any amount owing exceeds the debt recovery fee charged, our agent is also entitled to recover such additional costs from you. This clause is intended to be for the benefit of and be enforceable by our debt recovery agency under the Contracts (Privacy) Act 1982.
- I agree to indemnify KartSport New Zealand against all costs, whether commission, legal fee or otherwise, incurred by KartSport New Zealand or KartSport New Zealand's duly authorised agents relating to any moneys, and goods that may be outstanding from time to time pursuant to the terms of this agreement.
- That the transponder kit remains the property of the Lessor at all times. The transponder kit must not be sub-leased or used for purposes other than kart racing.
- That in the event of malfunction, the Lessee will return the transponder kit to the Lessor for repair or replacement at the Lessor's discretion. Should the Lessor determine the transponder kit has not been operated in accordance with "Normal Use" and/or abused a repair or replacement fee will apply. Under no circumstances should repair be attempted by the Lessee. This would negate the AMB warranty.
- If, on return, the transponder has not been de-registered from My-Laps a Deregistration Fee of \$50 (inclusive of GST) will be deducted from the deposit.

The Lessor agrees to replace a faulty transponder kit, or part there of, should such fault be the result of manufacturing defects and/or extended service life. (Note: transponder battery should last for a period of 6 years. Transponders with failing batteries will be replaced after this time at the Lessor's discretion)
